TEAMWORK SPIRIT - The Timely Message

Culture value: ownership, receptiveness, predictability.

Predictability: “ I say what I do, I do what I say”

Ownership: “ I aware of the impact and I own it”

Receptiveness: “ I Act with compassion and respect”

Teamwork is the basic concept in the corporate sector. Here one scenario describes how the team spirit effectively does and how it is essential for the corporate sector . One team dedicated with members got a urgent project to complete within a deadline , The team got little confusion why priya took the vital task of information gathering priya is one team member, But she took the responsibility for collecting the vital information form all other team and update to her team.Her timely updation of information only helps her team to complete her task in **correct time**. Priya does that and her team completes the task successfully at the **correct time** .This action gives inspiration for her team about their work and she also becomes the inspiration for her team.
